### **Rick's Custom Fencing & Decking Sponsors Tualatin City Little League**

Hillsboro, OR—Rick's Custom Fencing & Decking Inc., announces its sponsorship of the Tualatin Tigers Little League Team for the 2006 season. The team is associated with the Tualatin City Little League.

“Tualatin City Little League is a non-profit organization established by the community of Tualatin for the benefit of our youth. It's existence and success are based on the support and commitment of parents, coaches, managers, umpires, Board Members, sponsors, the School District, the City of Tualatin, and the kids that make this endeavor worthwhile.” Stated Joey Hall, TCLL President. “Other than umpires, those involved in the League are volunteers. It is our League responsibility to provide safe equipment, uniforms, coaching, fields, and training for participants in league activities.”

The Tualatin Tigers is comprised of eleven players, with only three having played competitively in previous years. The team is made of kids ranging from seven to twelve years in age. Rick's believes that by promoting and sponsoring organizations such as the TCLL, that it will help provide a positive experience for the youth in our community.

Rick's sponsorship will aid in the funding of the teams uniforms and equipment. “We hope our contribution will help the livelihood of the little league and to encourage other business within the community to get involved as well,” stated Rick Stanley, President of Rick's Custom Fencing & Decking.

Rick's Fencing has been in business since 1980 and has helped fund numerous organizations within the community over the years. They believe that their commitment to their community has helped with the success and growth of their company.
