### **Rick's Custom Fencing & Decking Donates Materials To The Cavan Franklin Foundation.**

**Hillsboro, OR** – “Tis the season to be giving”, stated Nicole Woods, Marketing Coordinator at Rick's Custom Fencing & Decking regarding their gift to the Cavan Franklin Foundation. Cavan Franklin is a young Hillsboro boy who came down with Bacterial Meningococcal on December 28<sup>th</sup>, 2005 at 11-months-old. “It has been a rough year for the Franklin family, especially with the recent set back they are currently enduring. Cavan is back in the hospital with Encephalitis, which is inflammation of the brain.” Stated Woods.

Cavan's mother had to quit her in-home daycare center that she just got started two months ago so she could be with him at the hospital 24-hours a day. Due to their current financial situation and with the holiday season upon us, Rick's Fencing had decided to donate much needed fencing materials to the Franklin family. “This donation is going to make their whole Thanksgiving and Christmas season,” stated Diane Thornton, Franklin family friend and neighbor.

The owners and employees at Rick's Custom Fencing & Decking wish the Franklin family the best during this holiday season.
