Rick's Custom Fencing & Decking Celebrates 29 Years!

HILLSBORO, Ore.—Rick's Custom Fencing & Decking is proud to announce its 29th year of business. Founded by Oregon residents, Rick and Marlene Stanley, Rick's Custom Fencing and Decking has grown to become one of the largest retailers of fencing and decking in the Northwest.

The Stanley's opened their first store location in Hillsboro in 1980 when they realized the potential in building fences, decks and gazebos. Today, Rick's Custom Fencing & Decking offers the largest product selection in the Northwest. Rick's variety of materials includes an assortment of vinyl, cedar, ornamental aluminum, simulated rock and chain link fencing. They also carry Port Orford cedar decking, made locally in Riddle Oregon, and WestStar composite decking.

Through many years of hard work and dedication Rick and Marlene's company has grown to six store locations in Oregon and Washington, which include Hillsboro, Gresham, Salem, Bend, Vancouver, and Tri-Cities.

A 29th Anniversary Celebration will take place throughout the month of June. Go to www.RicksFencing.com or visit one of our six store locations for information on our Anniversary Sale.
