RICK'S FENCING BREAKS GROUND FOR NEW STORE

Kennewick, WA (December 8, 2006) - Rick's Custom Fencing & Decking, Inc. broke ground on December 1, 2006 for their new store located at 9120 W Clearwater Ave in Kennewick, Washington. The Tri-Cities store will be the sixth store added to the company since 1980. Other store locations include Hillsboro, Gresham, Salem, Vancouver and Bend.

"This groundbreaking is extremely exciting for our company as we have grown to become one of the largest fencing and decking companies in the Northwest," said General Manager Dave Harkins. "We are eager to become part of a community that is quickly expanding and economically developing."

The 5,000 square foot facility will feature a complete showroom, a lumberyard, and warehouse. Rick's Custom Fencing & Decking President, Rick Stanley, had purchased the 5.22-acre lot in May of 2006 in hopes to have the construction completed and the store ready to open by February 1, 2007.

"This is a magnificent day not only for myself, but for the entire company," stated Stanley. "Once construction is complete, residents of the Tri-Cities area will be able to come to Rick's to find the highest quality of fencing and decking products as well as top customer service as we stand by our motto, ***We Guarantee Happy Customers!***"
