Local Keizer Resident Win's "Ugliest Fence" Contest!

HILLSBORO, Ore.— The winner of the "Ugliest Fence" contest held by Rick's Custom Fencing & Decking is Sara Greenleaf of Keizer, Oregon. Sarah will receive 100 ft. of free wood fencing materials.

Rick's Custom Fencing & Decking held the contest during its 28th Anniversary celebration. Rick's Custom Fencing & Decking was founded in 1980 in Hillsboro, Oregon and has since opened six additional locations throughout Oregon and Washington. Rick's Custom Fencing & Decking opened its Salem outlet in 1998, which is located at 8755 Portland Road NE.

The Salem outlet operates both the vinyl production and the welding fabrication for the entire company giving it a unique combination as both a retail store and production plant for cedar, vinyl and welded metal products, such as ornamental gates and chain link.

Rick's Custom Fencing and Decking is one of the largest retailers of fencing and decking in the Northwest. In recent years the demand for vinyl fencing, which is maintenance-free and carries a lifetime warranty if purchased from Rick's, has generated a strong demand on the Salem outlet for fabrication and installation of fencing ranging from large pastures to contain livestock, to residential privacy or picket fencing. Similarly, Rick's production of ornamental gates in the Salem outlet has met the demands of a growing market for wrought-iron type driveway gates.
