# ALLEGHENY FENCING

## A Greener Solution

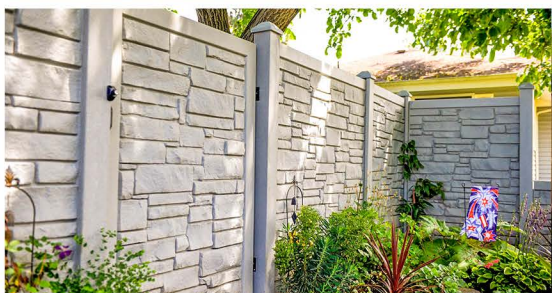

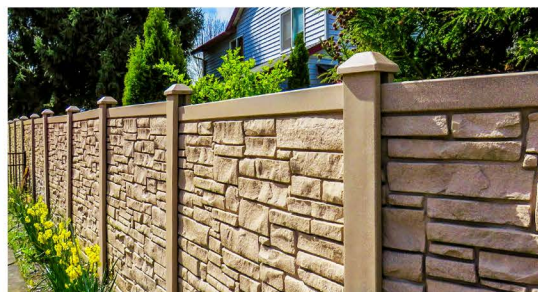

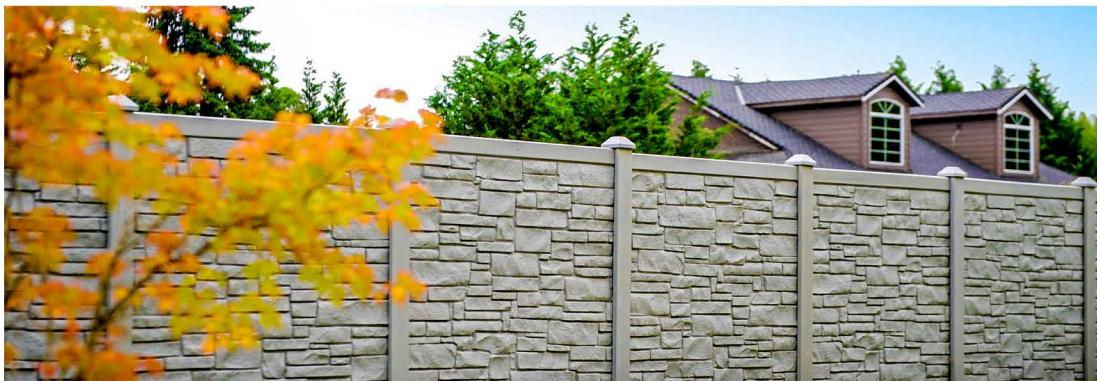

We care about our environment. Allegheny and Sherwood Fence systems are made with recycled and recyclable polyethylene plastic.

## Maintenance-Free

A maintenance-free solution. Allegheny patented fencing will never need painting or staining; nor will it warp, fade or crack. The product has a Lifetime Transferable Warranty to be free from manufacturing defects.

## Patented Construction

Made with proprietary Linear Low Density Polyethylene Plastic (LLDPE) and reinforced with galvanized steel, Allegheny Fencing will remain stable in all manner of temperature extremes. Withstands tests at  $-40^{\circ}$  to  $140^{\circ}$  F.

# SHERWOOD FENCING

## Cost Effective

Enhance your surroundings with the revolutionary "rock-look" Allegheny fencing, or the Sherwood Simulated Cedar System. Easy to install, maintenance free, and durability tested, Allegheny Fencing is always a good option for homeowners seeking a worry-free fence solution.

## Durability Tested

Allegheny and Sherwood systems can withstand constant hurricane force winds up to 110 mph and 130 mph gusts. Allegheny Fencing also contains UV12 inhibitors for a lifetime of vibrant colors, and is graffiti resistant.

## Made in the USA

Allegheny and Sherwood Fencing are proudly manufactured right here in the United States.

# ALLEGHENY FENCING

## PANELS:

- Panels come in 4', 6', and 8' heights.
- All panels contain high-grade galvanized steel in both top and bottom rails.
- Panel heights cannot be modified, however, panels can be cut to any custom width
- 4' panels have been engineered to allow stacking to create an 8' wall on 8' centers.

## POSTS:

- Posts are 8.5' high and have a five-inch outer diameter.
- All posts contain full-length internally molded steel stiffeners for optimum strength.
- Posts are made from 50% recycled polyethylene.

## GATES:

- Gates come in 4' and 6' widths by 6' height.
- Internal steel frame provides an extra rigid structure.
- All hardware mounts "steel on steel" for excellent thread engagement.
- 6-foot gates have an internal diagonal steel cable providing extra strength.
- Hinges are adjustable, spring-loaded and made of stainless steel.
- Option to integrate your own ornamental metal with the Simtek gate post.
