# RAILING SYSTEMS

## Vinyl Railing

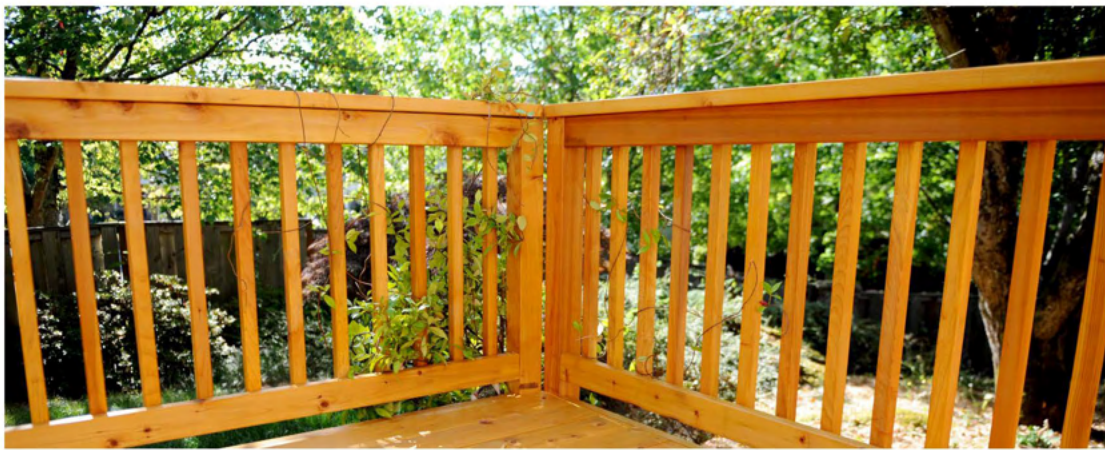

Elegant and easy to maintain. You'll never have to fuss with painting or replacing posts and rails on your porch or deck ever again. Guaranteed for a lifetime not to rot, swell, or splinter. Vinyl railing has been a staple in contemporary deck construction and has proven to be durable and low maintenance. Pickets are available in 1" white or clay square pickets or white colonial balusters for a more decorative look.

## Cedar Railing

Cedar is durable, light weight, sturdy and easy to work with. Enhance the beauty and value of your home with the natural look of cedar railing. The look and fragrance of cedar are timeless. Cedar's rich grain, texture, and color will complement any architectural style. Cap material can match surface decking for a seamless design at an affordable price. Aluminum powder coated bronze or black pickets are also available.
