## Vinyl Fencing

0/217

## Privacy

---

Vinyl Privacy Fencing offers a long lasting, low-maintenance alternative to traditional wood fencing, and a modern upgrade to your backyard.

Vinyl Privacy Fencing is available in White, Tan, Driftwood, and Dark Walnut, and in 4', 5' and 6' heights.

## Semi-Privacy

---

An outstanding cost effective fence when full privacy is not the desired goal. Ideal for front yards, or areas where high wind may be an issue.

Semi-Privacy Vinyl Fencing is available in White and 4', 5' and 6' heights.

## Lattice Top

---

Lattice Top Vinyl Fence is the ultimate in decorative vinyl fencing. Choose from Full Privacy or Semi-Privacy with a lattice top, giving you many combinations of colors and styles for a unique fence design.

Our Lattice Top Vinyl Fencing is available in White, Tan, Driftwood, and Dark Walnut, and in 4', 5', and 6' tall.

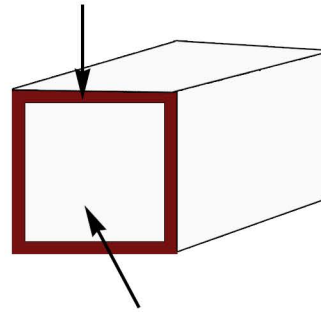

# VINYL FENCING

## Maximize the life of your fence

Our vinyl is co-extruded to maximize strength, durability, and UV resistance. Vinyl Fencing has five times the strength of wood and four times the flexibility, making it the ideal choice for the homeowner seeking a durable, yet elegant, life-long fencing solution.

## Lifetime Transferrable Warranty

Rick's Vinyl fencing is virtually maintenance free and backed by a limited lifetime transferrable warranty.

## Picket

Vinyl Picket Fencing offers the timeless look of traditional Picket Fencing without the maintenance of painting or staining individual pickets each year.

We offer traditional and scalloped picket in White and Sand, available in 3', 42", and 4' tall.

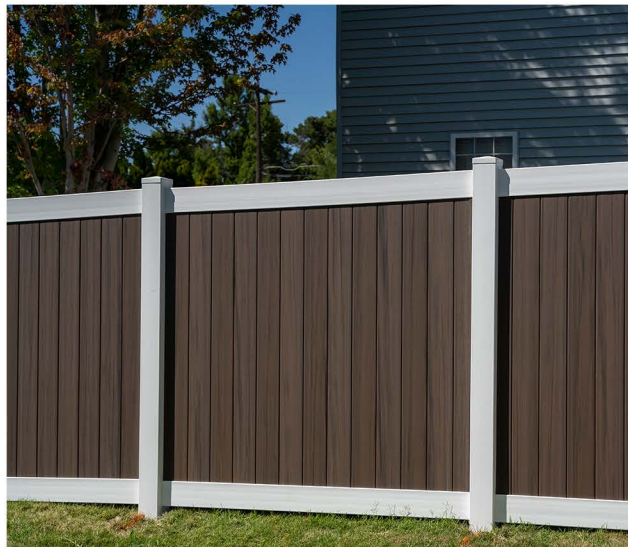

## Pasture Rail

Handsome and practical, Vinyl Pasture Rail Fencing is suitable for both livestock and landscaping.

Our Pasture Rail Fencing is available in White, Dark Walnut, and Black, and in 2-rail, 3-rail, and 4-rail configurations.

## Maintenance Tips

### Are vinyl materials maintenance free?

Almost! Under normal conditions all that is required is an annual washing of the product to keep it looking new.

### How do you clean a vinyl fence?

As with all exterior products, a fence will become dirty when exposed to the elements. A mild detergent and water solution should be sufficient to keep your fence or deck rail looking new. For tough stains, Soft Scrub or baking soda work well. Simple Green and 0000 steel wool also work to clean stubborn stains.

### Is the fence graffiti proof?

Although not classified as graffiti proof, our vinyl fencing is easy to clean and most paint comes off with just a little effort. It may require the use of a pressure washer or in extreme cases the use of GOJO Orange Hand Cleaner or steel wool also works for most graffiti. If it can not be removed, the advantage of our vinyl is individual parts and pieces can be replaced as needed, instead of buying an entire new section of fencing.

### Will vinyl mildew or collect mold?

High Quality, Co-extruded Vinyls, such as this may collect mold if not cleaned often enough (generally once a year), but the advantage of this vinyl product is the mold/mildew will not permeate past the surface of the vinyl as can happen with mono-extruded vinyls you may find at a lower price. Just a simple solution of mild household detergent and water, and a good bristled brush will take even the toughest molds and mildews off the surface of your vinyl fence.
