Acrylite® Patio Systems

Reduce Heat Buildup

Solar tints and Heatstop option create a comfortable environment.

Attractive High-Gloss Sheen

Light diffusing surface emits soft uniform light even on overcast days.

Affordable & Safe

Shield your family from harmful UV rays. Less expensive than glass and made from high-impact shatter resistant acrylic. Engineered for overhead use.

Custom Designs

Adapts to single or multi-story homes as well as structural and non structural systems.

Long Lasting & Maintenance Free

No replacement costs due to yellowing. Backed by a 30-year non-yellowing warranty.

Eco-Friendly

ACRYLITE® acrylic building products and associated aluminum components are recyclable and help contribute to a healthier environment.
