

BUILDING STRONGER COMMUNITY

FOR IMMEDIATE RELEASE

Rick's Custom Fencing & Decking Sponsors West Linn High School's Portland to Coast Relay Team as Part of Ongoing Commitment to Education and Community

West Linn, OR — August 11, 2025 — Rick's Custom Fencing & Decking is proud to announce its sponsorship of an administrative staff team from West Linn High School and the West Linn-Wilsonville School District participating in this year's Portland to Coast Relay. This partnership reflects Rick's long-standing commitment to supporting education, youth development, and the communities we serve.

As part of our broader sponsorship of the iconic Hood to Coast Relay, Rick's is honored to back a team that includes educators, administrators and school leaders who embody the spirit of teamwork, perseverance, and local pride.

"We believe that strong schools build strong communities," said Taylor Stanley, VP of Marketing at Rick's Custom Fencing & Decking. "Sponsoring the West Linn High School's "No Running the Halls" team allows us to celebrate both athletic excellence and educational leadership—values that align closely with our mission."

This sponsorship continues Rick's active support of educational programs, including our partnership with Schoolhouse Supplies, a nonprofit organization that provides free school supplies to students and teachers in need across Oregon. Whether we're donating classroom kits, assembling hygiene packs, or supporting local races, Rick's is always proud to stand behind the people shaping the next generation.

The Hood to Coast and Portland to Coast relays bring together teams from across the world to run from Mt. Hood to the Oregon Coast, and West Linn High School's team participation highlights the district's commitment to wellness and community spirit.

About Rick's Custom Fencing & Decking

With more than 45 years of service in the Pacific Northwest, Rick's is one of the region's most trusted names in outdoor living. From fences and decks to patio covers and railings, we're committed to helping homeowners build safe, beautiful spaces—and to supporting the communities we call home.
